TERRIBLE ITCHING SCALP HUMOR Badly Affected With Sores and Crusts—Extended Down Behind the Ears—Some Years Later Painful and Itching Pustules Broke Out on Lower Part of Body—Son Also Affected.

A TRIPLE CURE BY CUTICURA REMEDIES "About ten years ago my scalp became badly affected with sores and itching humors, crusts, etc., and extending down behind the ears. My hair came out in places also. I was greatly troubled; understood it was eczema. Tried various remedies, so called, without effect. Saw your Cuticura advertisement and got them at once. Applied them as directed, etc., and after two weeks, I think, of me, was clear as a whistle. "I have to state also that late last fall, October and November, 1904, I was suddenly afflicted with a bad eruption, painful and itching pustules over the lower part of the body. I suffered dreadfully. In two months, under the skilled treatment of my doctor, accompanied with Cuticura Soap and Cuticura Ointment, I found myself cured. "Six years ago my son was laid up with a severe cold, a bad cough, and finally painful eruption all over the body. I procured the Cuticura Remedies as soon as possible, and after his faithful use of same was as well as ever in two weeks, as well as I can recall. He has never had a return of the illness, so far as I know. "I have always been pleased to commend the Cuticura Remedies, and testify as to their efficacy. I am a veteran of the late Civil War, '61-'65, between seventy and eighty years of age. Yours truly, H. M. F. Weiss, Roseland, Christian Co., Ill., Aug. 21, 1905."
